

IFAT Delhi 2026

## International Pavilion

The International Pavilion is an initiative launched by IFAT Delhi 2026 to support international companies from the waste management, recycling and water sector in entering the dynamic and fast-growing Indian waste management, recycling, and environmental technology market.

IFAT Delhi acts as a vital platform, connecting private-sector innovation with major Indian policy initiatives like the Jal Jeevan Mission, Swachh Bharat 2.0, and the Net Zero 2020 commitment.

### Your benefits

- ✓ Profit from the immediate proximity to India's influential capital Delhi, with the support from influential ministries (MoHUA, MoEFCC, Ministry of Jal Shakti)
- ✓ Enjoy easy first steps in the Indian market in the frame of the International Pavilion.
- ✓ Take advantage of our cost-efficient offer and exclusive package.
- ✓ Increase your visibility under the branded roof of the International Pavilion.
- ✓ Count on our comprehensive and individual support before and during the show.

\*The design shown is a conceptual representation only. The final pavilion may vary in design, materials, and dimensions during execution.
