1 Why exhibit at Singapore International Water Week?

Singapore International Water Week (SIWW) is a premier global platform for sharing and co-creating innovative water solutions. Held biennially in Singapore, SIWW brings together leaders, experts, and companies from around the world to address pressing urban water challenges. The event features a dynamic exhibition, thought-leadership conferences, business forums, and networking sessions that foster collaboration across the water value chain. Exhibitors gain direct access to decision-makers from utilities, industries, and governments seeking cutting-edge technologies and sustainable solutions. With Singapore's reputation as a global hydrohub, SIWW offers unparalleled opportunities to showcase products, strengthen partnerships, and expand market presence in Asia and beyond.

General Terms and Conditions for participation at Swiss Pavilions organised by BTO Solutions Schürch AG as of October 1st, 2025

1 Field of application

- 1.1 These General Terms and Conditions (the "Terms") for Event and Exhibition Services apply to all services offered by BTO Solutions Schürch AG ("BTO") itself as well as in cooperation with its contracting partners in Switzerland and abroad to clients ("Exhibitor").

2 Formation and execution of contract

- 2.1 Registration for participation in an event must be received in writing or electronically by BTO within the time limit for registration specified in the participation documents. A registration received in good time does not establish any right to participation or to a particular size or location of an assigned booth. Late registrations may be considered only based on available space. The contract is deemed executed only upon written confirmation of registration by BTO.
- 2.2 The Contract shall be formed when BTO receives the Exhibitor's written confirmation of acceptance of the offer made within the acceptance period. Offers that do not include a deadline for acceptance are not binding.

3 Payment terms

- 3.1 Upon receipt of the registration, 50 % of the total price of the participation will be invoiced. The first invoice will serve as confirmation of participation in the «Swiss Pavilion».
- 3.2 The remaining 50 % of the total price of participation will be invoiced approx. 3 months prior to the fair opening. Additional services offered to participants during the fair will be billed within 30 days after participation.
- 3.3 The full participation fee must be paid in full up to four weeks before the start of the event, otherwise the Exhibitor shall not be entitled to participate.
- 3.4 BTO will invoice the costs of Special Services (section 5.2) after the close of the event; such charges shall likewise be payable within 10 days.

4 Delivery, changes, delinquency and cancellation

- 4.1 In the event that the Exhibitor is persistently in arrears with a due payment and BTO therefore withdraws from the contract without notice, the registration fees and the agreed participation fee shall be payable as a contractual penalty.
- 4.2 In the event that an Exhibitor elects, after execution of the contract, not to participate or to reduce the previously agreed scope of participation, the registration fee and full participation price for the Basic Services, subject to the limitation in section 4.3, shall remain due along with compensation for expenses already incurred by BTO for Special Services (section 5.2).
- 4.3 Cancellation of the contract by the Exhibitor is effective only if in written form (letter or e-mail). In the event of timely written withdrawal, the following reductions from the price of participation are granted:
– if received at least six months before the exhibition: 50% reduction;
– if received at least four months before the exhibition: 25% reduction.
If the Exhibitor withdraws its registration less than four months before the exhibition, the full participation price and full registration fee are payable.
If the Exhibitor arranges a suitable replacement exhibitor who takes over the concluded contract under the same terms, the original Exhibitor's obligations shall be released from his obligations up to the amount of payment of the participation fee by the replacement exhibitor. The registration fee and additional expenses incurred by BTO remain payable in any case. The registration fee will also be charged to the substitute Exhibitor.
- 4.4 BTO may undertake a reduction in the registered booth space or a change of location at any time (section 5.1). In this event the Exhibitor is entitled to withdraw from the contractual relationship in writing within one week of receiving notification of such a change in the contractual terms if the Exhibitor's interests are unreasonably adversely affected thereby. If the adverse effect is reasonable, the Exhibitor may nevertheless withdraw from the contract but shall be liable for the costs of withdrawal. The costs of such withdrawal are calculated as specified in section 4.3.
- 4.5 If it becomes impossible to participate in a trade fair as planned, the registered trade fair participant shall not be entitled to indemnification for loss of any expected business transactions that would have occurred while taking part in the fair.
- 4.6 In the event of a significant price increase (at least +5%) by an involved party (trade fair organizer, stand construction company or service provider) after an offer has been made to exhibitors, BTO is entitled to pass on such increase to the exhibitors.
- 4.7 In the event of significant exchange rate fluctuations (at least 5%, CHF vs. foreign currencies involved) after submitting an offer to exhibitors, BTO is entitled to pass on the effects to the exhibitors.

5 Special terms for BTO events/trade fair services

- 5.1 Basic Services: On assuming organizational responsibility, BTO undertakes to provide the Exhibitor with ideal conditions for participating in the trade fair and to make all arrangements necessary to organize a dignified and unified event in keeping with Switzerland's reputation. The price for Basic Services (participation price) includes the services specified in the participation documents. BTO is the sole principal for the Basic Services vis a-vis third parties. BTO assigns locations and exhibition space in cooperation with the trade fair management. BTO will make all reasonable efforts to meet Exhibitors' wishes in respect of location. Any confirmation of location and size of the exhibition space does not establish a legal claim. BTO reserves the right to assign the Exhibitor a booth at a location other than that confirmed, to change the size of the Exhibitors' space (e.g., in the event of overbooking), to relocate or close entrances and exits to the exhibition grounds and halls and to undertake other structural changes in the event that exceptional circumstances give rise to a significant interest on BTO's part in undertaking such measures.
- 5.2 Special Services: All services above and beyond the Basic Services, unless expressly agreed otherwise, are invoiced separately as Special Services on a cost basis including any handling charge. These include, without limitation, additional equipment and furniture, outlets, installations and operating costs for electricity

and telecommunications, water, compressed air, gas, etc. as well as services such as additional Exhibitor badges, parking permits, etc..

Fitting the stand walls with the exhibitor's desired communication ("graphics") is an additional service provided by the stand constructor, which the exhibitor orders individually from the stand constructor on the basis of the latter's price list.

6 Obligations of the Exhibitor

- 6.1 The guidelines and rules established by the trade fair management are binding on all Exhibitors. The responsible project manager of BTO or his or her deputy retains domiciliary rights at the Swiss Pavilion. BTO or third parties appointed by BTO represent the interests of the Exhibitors vis-a-vis the trade fair management.
- 6.2 The design and operation of the rented space must be in harmony with the overall appearance of the fair. The Exhibitor shall comply with the instructions of BTO or the trade fair management in this respect. BTO's guidelines and instructions apply on a subsidiary basis for the design and operation of booths.
- 6.3 By participating in the event, Exhibitor agrees to comply with the Swissness regulations as set forth in the Federal Act on The Protection of Trade Marks and Indications of Source, as well as any related implementing regulations. Exhibitor who fails to comply with these regulations will not be permitted to participate in the Swiss pavilion at any event.
- 6.4 The Exhibitor undertakes to complete the trade fair booth by the opening of the exhibition. The Exhibitor is obliged to staff and supply the booth with exhibition materials throughout the entire opening hours of the exhibition and to begin dismantling the booth only after the close of the exhibition.
- 6.5 Presentations of any kind and special actions (such as noisy or otherwise disruptive demonstrations, sale or free distribution of goods) are subject to express approval by BTO. Visual or acoustic disturbance of neighbouring booths or obstructions in the booth and aisle spaces are prohibited. In the event of infringement, BTO reserves the right at its own discretion to prohibit troublesome or obstructive presentations and, in the event of repeated infractions, to terminate the booth rental contract with immediate effect.
- 6.6 The engagement of local personnel, interpreters, etc. is in principle the responsibility of each Exhibitor, but may be arranged through BTO at the Exhibitor's request and expense. Each Exhibitor is responsible for ensuring that its event staff possess the required identification papers and permits.
- 6.7 Exhibitor acknowledges that photographs and films will be taken at the event for documentation and advertising purposes and accept that they may be recognizable in the photographs.

7 Transport, insurance and security measures

- 7.1 Packing, round-trip transport, customs clearances, storage and insurance of the exhibited goods and empties are the responsibility of each individual Exhibitor unless otherwise agreed.
- 7.2 Participation does not include insurance cover. Securing liability, accident, illness, property, repatriation insurance, etc. is the responsibility of each Exhibitor. Even if BTO prescribes a freight forwarder, insurer or connecting link for certain activities on a binding basis in individual cases, the legal relations are based solely on the agreements concluded between the Exhibitors and the contracting party. BTO's role in such cases is solely that of an intermediary. If BTO provides the authorities with guarantees for the temporary admission of goods on behalf of Exhibitors, the Exhibitor undertakes to comply with the associated obligations and hold BTO harmless.

8 Assignment/involvement of third parties

- 8.1 During participation in events/trade fairs, co-exhibitors may use the exhibition space rented by the Exhibitor only with the written consent of BTO and an additional registration. Co-exhibitors are participants appearing in some form in an Exhibitor's booth, whether through lettering, exhibits or entry in the trade fair catalogue. A separate registration fee is charged for each co-exhibitor. When accepting co-exhibitors, the Exhibitor is liable to BTO for compliance with the present contractual terms and conditions, any individual agreements and for any damage caused by the co-exhibitor. Presentation of foreign exhibits or licensees of Swiss companies is permitted only with the approval of BTO.

9 Data protection

- 9.1 BTO and its affiliated partners may store the client data necessary for providing the services both within Switzerland and abroad. This data will be processed solely for the purpose of fulfilling the contractual obligations and conducting internal market research. The Exhibitor acknowledges and agrees that client data may be disclosed to third parties. BTO ensures that the third parties maintain data protection standards.
- 9.2 Any person about whom client data is collected has the right to request information about what data is processed about him. Any person may request that data be corrected or deleted from the data register. To do so, contact: info@BTO.ch. Exhibitor data includes information such as name, address, telephone number and e-mail. Both natural and legal persons are affected.
- 9.3 The Exhibitor agrees that BTO and the contracting partners cooperating with BTO in Switzerland and abroad may inform him or her about their own and general economic activities by letter, telephone or telecommunication during and after termination of the contractual relationship. In doing so, BTO observes the legal regulations of the Data Protection Act (DSG) and those of the Federal Act against Unfair Competition (UWG), as well as the equivalent foreign laws.

10 Warranty and liability, Force Majeure

- 10.1 BTO is not liable for late arrival of goods for exhibit, defective support by local representatives of Swiss companies, theft of or damage to goods for exhibits and personal effects, force majeure, official confiscation, etc..
- 10.2 BTO refuses liability for adverse effects or damage occurring to the Exhibitor through its own conduct in contravention of the contract. BTO is liable to the Exhibitor for

damage demonstrably caused deliberately or through gross negligence by BTO or its contracting partners (booth assemblers, trade fair management, graphic artists, etc.). All further liability of BTO is excluded.

- 10.3 BTO bears no responsibility if an event is not held or planned participation does not occur due to unforeseen compelling circumstances. The costs of Basic Services incurred up to this date will be invoiced on a pro rata basis to the registered Exhibitors. Expenses for Special Services will be invoiced to the Exhibitors on an individual basis.
- 10.4 BTO is not liable to the Exhibitor for any consequences arising from the location or surroundings of the booth.

11 Applicable law and Jurisdiction

- 11.1 The legal relationship between the parties shall be governed exclusively by Swiss law, unless these Terms and Conditions contain provisions to the contrary.
- 11.2 The exclusive place of jurisdiction for the legal relations existing between the parties is Winterthur ZH.

12 Severability

- 12.1 If a provision of this agreement is or becomes legally invalid or if there is any gap that needs to be filled, the validity of the remainder of the agreement shall not be affected thereby. Invalid provisions shall be replaced by common consent with such provisions which come as close as possible to the intended result of the invalid provision. In the event of gaps such provision shall come into force by common consent which comes as close as possible to the intended result of the agreement, should the matter have been considered in advance. Any changes of or amendments to this Agreement must be in writing to become effective.
